MARKET RELEASE

6 September 2021

QBE PRICING ANNOUNCEMENT IN RELATION TO GBP400,000,000 OF FIXED RATE RESETTING SUBORDINATED NOTES DUE 2038

Further to our market release on 1 September 2021, QBE announces that it has priced the issue of GBP400,000,000 of Fixed Rate Resetting Subordinated Notes ("**Subordinated Notes**") under its USD4,000,000,000 Note Issuance Programme to wholesale investors.

The Subordinated Notes will be eligible as Tier 2 Capital of QBE under the Australian Prudential Regulation Authority's ("**APRA**") capital adequacy framework. Subordinated Notes are required to be converted into ordinary shares in QBE or written-off in whole or in part if APRA determines QBE is or would become non-viable.

The Subordinated Notes will have a term of 17 years (maturing 13 September 2038) and are scheduled to pay interest semi-annually in arrear.

Interest will initially be paid at a fixed rate of 2.5% per annum until 13 September 2028 (the first reset date). The interest rate will be reset on that date (and every 5 years after that date) to a rate equal to the then prevailing 5-Year Gilt Rate plus a spread of 2.061% per annum.

The Subordinated Notes are callable by QBE with APRA's prior written approval on any business day within the 6-month period up to and including the first reset date, and on each 5th anniversary of that date (and if certain tax or regulatory events occur).

Following settlement of the Subordinated Notes, QBE intends in due course to give a notice of redemption in respect of its outstanding GBP327,186,000 6.115% fixed rate subordinated notes due 2042 (ISIN: XS1419859142) ("**2042 Subordinated Notes**") in accordance with their terms and conditions.
