

QBE Equip FAQs

Q: What can I expect in the Equip Program?

The Equip program consists of two workshops. The first workshop commences in July held at QBE's Sydney head office focusing on utilising strengths, communication strategies, and resilience techniques. Followed up by the second workshop in late September / October (depending on your region), which will unpack QBE's research on the "Broker Journey Map". All brokers in the Equip program will have access to Strengths profiling via our learning partners – Langley Group where you will sit their Strengths profiling assessment at the beginning and conclusion of the Equip program. Brokers will be entitled to a 12-month subscription on LinkedIn Learning and the curated learning playlist supporting the program. Additionally, you will be assigned a QBE Equip Partner who will support and design your own learning development plan in conjunction with the learnings from the program.

Q: How often will my Equip Partner be in touch?

Your Equip Partner will be your touchpoint and coach throughout the program to assist with bringing your own personal learning goals to life care of your Learning Development Plan. They will attend each workshop with you, run Equip Huddles to embed the learnings and will hold 1:1 coaching sessions and hold a group regional teleconference. However, should you have any queries or questions during your time in the Equip program feel free to get in touch base with them.

Q: Who will arrange travel and accommodation?

A member of our Equip team will be in contact with you to arrange your necessary travel and accommodation. The booking will be partially automated with allowing you to take control of which flight and accommodation to your preference.

Q: I'm interested to attend the Sydney Swans vs. Carlton match, what's involved and how do I go about organising that?

Through QBE's sponsorship with Sydney Swans we have access to the Swans Clubroom. The Sydney Swans vs. Carlton match at the SCG is on the 13th of July. Canapes will be served on arrival and a BBQ buffet lunch prior to bounce down. At half time we will have 2 current Sydney Swans players join us for a Q&A hosted by Netball legend Cath Cox.
