

Workers Compensation - Obtain Certificate of Currency or Claims Experience

Stage 1. Open Policy Inquiry screen in c.change

- Click on **Policy Options** at bottom of the page to identify options
- Select Certificate of Currency or Claims Experience, as appropriate

The screenshot shows the c.ch@nge web interface. At the top, there's a navigation bar with links like 'home', 'writenow', 'claimwrite', 'writepay', 'help', and 'admin'. Below this, the 'Policy' section is active, displaying details for 'PE00000000TEST'. The 'Policy Options' dropdown menu is open, highlighting 'Certificate of Currency' and 'Claims Experience'. The background shows policy details including 'Insured: Test Account', 'Status: CURRENTLY IN FORCE', 'Inception Date: 01/07/2008', and 'Period: 30/06/2019 to 30/06/2020'. The 'Risk Type' section shows 'Workers Compensation' with a 'Commenced' date of '01/07/2008'.
