You'll also learn what to do if you need to make a claim, so we promise it'll be time well spent.

## **About this booklet**

There are two parts to this booklet. The first part is Important Information about this Policy including information about how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

### **For more information or to make a claim**

# Important Information

The important information in this section includes:

- 'The cost of your Policy'
- Your 'Cooling-off period'
- 'Privacy' and how we handle your personal information, and
- Our process for 'Resolving complaints & disputes'.

## The cost of your Policy

Premium is what you pay us for this Policy and it's made up of the amount we've calculated for the risk and any taxes and government charges.

When calculating your premium we take a number of factors into account, including:

- Your sum insured
- The address where your building is
- Where your contents are (if you insured them with us)
- Your insurance and claims history, including any claim experience bonus you may be entitled to
- Security features of your building
- The construction and age of your building
- Optional benefits selected by you
- Excesses
- Whether you choose to pay your premium annually or by instalments

### How to reduce your premium

<b>Discount</b>	<b>How to get it</b>
Choose a higher excess	Choose to pay a higher excess.
Pay your premium up front	Pay your annual premium up front rather than in instalments.
Claims experience bonus	<p>Have a good claims history at the insured address.</p> <p>If you're eligible for our bonus, we'll move you up one level for each year you remain claim free up to our maximum level (Level 5).</p> <p>If you make a claim, your claims experience bonus will be recalculated based on the number of claims you make.</p>
Increase your security	Install security measures above our minimum requirements.
Retirees discount	<p>If you're retired and no longer working full time, we'll give you a retirees discount.</p> <p>You'll need to contact us and advise us once you become eligible for this discount. If you become eligible during the period of insurance, your retirees discount will be applied to your next renewal.</p>
Thanks for being a QBE customer	Renew your Policy with us every year. The discount will increase each year, up to our maximum.

## Calculating your sum insured

Your home is unique and it's important to come up with the right sum insured because it can be costly if you under-insure. When you calculate it you should consider:

- The size of your home, because even homes of identical size can cost different amounts to rebuild
- That costs must be new for old at today's prices
- How much it costs to:
  - replace items and fixtures
  - remove debris and prepare the land and foundations.

We've built calculators to help make this easier. These take into account extra costs that might not be obvious such as removing debris which could add 10% to 15% to your sum insured alone.

### To use our calculators

Go online at [qbe.com.au/personal/home](http://qbe.com.au/personal/home)

You need to review your sum insured if you make any major changes such as renovating your home or making any large purchases.

By using the Home Building Insurance Calculator you'll be eligible for a key part of our Building Sum Insured Safeguard standard benefit. Refer to Page 43 for more information on how this applies.

## Cooling-off period

If you change your mind within 21 days of buying your Policy, you can cancel it and receive a full refund. Naturally, this doesn't apply if you've made or are entitled to make a claim. Even after the cooling off period ends, you still have the right to cancel your Policy. However, we may deduct some costs from any refund, as set out in the Policy Wording under 'Cancelling your Policy'.

To cancel your Policy within the cooling-off period, you can call QBE Customer Service on 133 723 or send an email to [enquiries@qbe.com](mailto:enquiries@qbe.com)

We use your personal information so we can do business with you, which includes issuing and administering our products and services and processing claims. Sometimes we might send your personal information overseas. The locations we send it to can vary but include the Philippines, India, Ireland, the UK, the US, China and countries within the European Union.

It's up to you to decide whether to give us your personal information, but without it we might not be able to do business with you, including not paying your claim.

## Resolving complaints & disputes

At QBE we're committed to providing you with quality products and delivering the highest level of service.

We also do everything we can to safeguard your privacy and the confidentiality of your personal information.

### Something not right?

We know sometimes there might be something you're not totally happy about, whether it be about our staff, representatives, products, services or how we've handled your personal information.

#### Step 1 - Talk to us

If there's something you'd like to talk to us about, or if you'd like to make a complaint, speak to one of our staff. When you make your complaint please provide as much information as possible. They're ready to help resolve your issue.

You can also contact our Customer Care Unit directly to make your complaint. Our aim is to resolve all complaints within 15 business days.

#### Step 2 - Escalate your complaint

If we haven't responded to your complaint within 15 days, or if you're not happy with how we've tried to resolve it, you can ask for your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist.

The Dispute Resolution Specialist will provide QBE's final decision within 15 business days of your complaint being escalated, unless they've requested and you've agreed to give us more time.

#### Step 3 - Still not resolved?

If you're not happy with the final decision, or if we've taken more than 45 days to respond to you from the date you first made your complaint, you can contact the Financial Ombudsman Service Australia (FOS Australia). FOS Australia is an ASIC approved external dispute resolution body.

FOS Australia resolves insurance disputes between consumers and insurers, at no cost to you. QBE is bound by FOS Australia's decisions - but you're not. You can contact FOS Australia directly and they'll advise you if your dispute falls within their Terms of Reference.

*Disputes not covered by the FOS Australia Terms of Reference*

If your dispute doesn't fall within the FOS Australia Terms of Reference, and you're not satisfied with our decision then you may wish to seek independent legal advice.

*Privacy complaints*

If you're not satisfied with our final decision and it relates to your privacy or how we've handled your personal information, you can contact the Office of the Australian Information Commissioner (OAIC).

# Policy Wording

Your Policy is underwritten by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

## Our agreement

Your Policy is an agreement between you and us for the period of insurance. It's made up of:

- this Policy Wording, and
- your Policy Schedule, which sets out the cover you've chosen and any terms specific to your Policy.

'Paying your premium' sets out what you have to pay us for cover under your Policy.

The 'Cover' section sets out the covers under this Policy.

The 'Exclusions & conditions' section sets out:

- What isn't covered
- Your responsibilities once you've taken out this Policy.

The 'Claims' section sets out:

- Your responsibilities, including what to do and what not to do, after incidents and when you make claims
- How we settle claims and our rights after you make them.

## How much we'll pay

How much we'll pay for a claim is set out under each cover or on your Policy Schedule. You have to pay any applicable excess.

## The cover you chose

When you take out this Policy you must choose from the following cover:

- 'Building'
- 'Contents'

Your Policy Schedule will show the cover you've chosen, your sum insured, plus any optional benefits you've selected. Where your Policy covers more than one building or contents, the cover you've chosen for each building and contents will be shown on your Policy Schedule.

'Legal liability' cover is automatically included.

## Paying your premium

Your Policy Schedule sets out what your premium is and when you need to pay it by.

### Annual premium

If you pay your premium annually, and it's not paid by the due date or if your payment is dishonoured, this Policy won't operate and there'll be no cover.

### Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us no later than seven days before your next instalment is due.

If you miss an instalment we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your policy may be cancelled and we'll write to you to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we may refuse to pay your claim.

### At renewal

If you pay by instalments, and you renew your Policy, we'll continue to deduct instalments for a renewed Policy at the new premium level according to the same instalment pattern, unless you tell us to stop your direct debit.

If the first instalment for a renewed Policy isn't received we'll try and retake the instalment after seven days. If it remains unpaid, your renewed Policy won't operate and there'll be no cover.

If an instalment is unpaid, we'll send you a reminder letting you know when we're going to retake the instalment. If we still don't receive your payment after this reminder, we'll write telling you the date your Policy will be cancelled unless your payment arrives. Then, if we don't receive a payment, we'll send you a notice to confirm your Policy has been cancelled.

### Adjustment of premium on renewal

If we agree to renew your Policy and you claim for an incident that happened during a previous period of insurance, you must tell us about it. You agree to pay us any additional premium increase we'd have required you to pay if you'd told us about the claim before your Policy was renewed.

This condition doesn't affect any other rights we have at law or under this Policy.

### If your payment details change

If the direct debit details you use to pay us change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date.

## How a claim affects your sum insured

If we settle a claim and pay less than the total sum insured, your sum insured remains the same as it was before the claim.

For example, if your contents sum insured is \$40,000 and we pay an \$8,000 theft claim, your sum insured will remain \$40,000. Likewise, if your building sum insured is \$120,000 and we pay a \$30,000 fire claim for damage to our kitchen, your sum insured will remain \$120,000.

## Settling building claims

If we accept your claim, at our option we'll pay for reasonable costs of repairing, rebuilding or replacing your building to its condition when it was either new or last renovated, altered or restored.

We'll repair up to the nearest archway, doorway or similar entry and exit point. We won't pay for undamaged materials in any adjoining rooms.

We won't pay for undamaged parts, even to restore those undamaged parts to achieve a uniform appearance.

### How much we'll pay

The most we'll pay is up to:

- your building sum insured, and
- any other benefits we've agreed to pay, less
- your excess

### Matching materials

We'll pay reasonable costs to match existing materials when we pay to rebuild or repair your building, except when matching materials can't be found locally. If this is the case, we'll only pay for the nearest equivalent materials.

### Delays in rebuilding

If you don't start rebuilding within six months from the date when the loss or damage occurred we'll only pay what it would have reasonably cost to repair, rebuild or replace your building at the time the loss or damage occurred.

We'll give special consideration for any exceptional circumstances beyond your control if you can't commence rebuilding within six months.

### Rebuilding at an alternative location

You may choose to have your building replaced at another site if it's a total loss. We won't pay more than what the cost would've been at your original site.

### Repairer information

We have the right to nominate the repairer or supplier to be used.

## Settling contents claims

In this section when we use the term 'contents' in the context of settling your claim, we're referring to either contents, portable contents, specified portable contents, high risk items and/or your bicycle as the case requires.

At our option we'll either repair or replace your contents if we accept your claim.

The most we'll pay is the contents sum insured, and the individual item for certain items.

Claim settlement	What we pay
Repair	The reasonable cost of repair.
Replace	The cost to replace your item with a new one that's substantially the same if it can't be economically repaired (up to the item sum insured).
Cash settlement	Your Policy is designed to repair or replace stolen or damaged items. If we agree this isn't possible, we'll pay you either retail value or the limit for that item (whichever is less), depending on your cover.  If we agree to pay for an item instead of repairing or replacing it, we'll only pay you the amount you would've received from a licensed second hand dealer, up to the applicable limit.

We treat these items differently when we decide to repair or replace them.

Item	What we pay
High risk items	The reasonable cost to repair or replace the item up to the limit shown in the Meaning of high risk items table on Meaning of high risk items.
Specified contents	The reasonable cost to repair or replace the item up to the sum insured listed on your Policy Schedule.
Carpet	Only the cost to repair or replace the carpet in the room, hallway or passageway where loss or damage occurred.
Computer equipment	The reasonable cost to repair or replace your computer equipment up to the applicable limit, although we'll only pay the market value for computers over 10 years old. This also applies to specified items.
Jewellery	The reasonable cost to repair or replace your jewellery up to the applicable limit, although we don't pay for reshaping or reclawing to reset the stone if your claim was only for loss of the stone.

Item	What we pay
Pairs and sets	<p>The reasonable cost to replace or repair a particular item that's part of a pair, set or collection. We won't pay for any special value an item may have as part of a pair, set or collection.</p> <p>If you've specified an item, we'll only pay a portion of the specified sum insured equal to the proportion of the pair, set or collection the item represents.</p>
Sporting equipment	<p>The reasonable cost to replace or repair the item. If it's designed to complement other pieces of sporting equipment where neither can be used without the other, then we'll treat all items as one.</p>
Specified portable contents	<p>The reasonable cost to repair or replace the item up to the sum insured shown on your Policy Schedule.</p>

### Repairer information

We have the right to nominate the repairer or supplier to be used.

## Total loss

Your cover ends if we settle a claim and pay the total sum insured. We don't refund anything for the cover we've paid the total loss claim for.

### Your premium after we've paid a total loss

If you paid your premium in full when you took out your Policy, we don't refund anything after we've paid a claim for a total loss. This is because we've fulfilled our contract to you by making this payment.

If you pay your premium in instalments, any payment we make to you will be minus the instalments you're yet to pay. This amount is the difference between what you've already paid us (via your instalments) and what you would've paid us for the remainder of the insured period. This amount will either be deducted from a completed claim or paid by you before we settle your claim.

If you have other buildings or contents on your Policy, your instalments will be reduced because there'll be less buildings and/or contents to cover. This lasts until your Policy renewal date, which you can find on your Policy Schedule.

If you purchase another building or replace your contents, you'll need to arrange new insurance. You can buy a new policy or add your new building and/or contents to your existing Policy.

### Mortgagee's and financier's rights

If a mortgagee is named on your Policy Schedule and we're settling the claim on a cash basis, we reserve the right to pay all or part of the payment to the mortgagee.

The amount we pay to the mortgagee will be either the amount:

- owing on the mortgage (with any balance paid to you), or
- we agree to pay in settlement of the claim.

A payment made to a mortgagee will satisfy our obligation to you for the amount paid.

### Financiers

If a financier has a security interest on your property (including your contents or specified portable contents), we'll:

- Pay the financier your sum insured, up to the amount required to discharge your loan or finance agreement
- Pay you any remaining balance of your sum insured.

## Excesses

An excess is an amount you have to pay whenever you make a claim.

Your Policy Schedule sets out the excess amounts you have to pay. We deduct the excess from the amount of your claim if it's a building or contents claim. If you claim under the 'Legal liability' cover you must pay your excess before we pay a claim.

If you claim on more than one cover for the same incident, you'll only have to pay the highest applicable excess.

For example, if you have building and contents insurance, you only need to pay one excess if both your building and contents are damaged in the same insured event.

Excess types	When it applies
Home excess	All building and/or contents claims unless otherwise stated.
Earthquake or tsunami excess	All claims for earthquake or tsunami.
Imposed excess	All claims as set out on your Policy Schedule.  This is an excess we may require to cover your building and/or contents. If an imposed excess has been applied it will be shown on your Policy Schedule. This excess is in addition to any other excesses applicable to that claim.
<b>Optional benefit excesses</b>	
Specified portable contents excess	All claims for portable contents items.
<b>Cycle cover optional benefit</b>	
Cycle cover excess	All claims for loss or damage to bicycles, equipment and accessories.
Additional carbon fibre excess	All claims for loss or damage to any carbon fibre parts.

### Excess waiver

We'll waive the excess if we've agreed to pay a claim for:

- Damage that renders your building beyond economic repair
- The total loss of your contents.

## How your excess is paid for items with limits

Where a limit is applicable, the excess will be applied to the claim prior to applying the limit.

For example:

<b>Value of the item of jewellery</b>	<b>\$5,000</b>
Excess to be applied:	\$250
Item value less excess:	\$4,750
High risk item limit:	\$1,750
If the item was not specified: High risk item applies	\$1,750
If the item was specified: The item sum insured less the excess applies	\$4,750

## Claims conditions

These claims conditions apply to each 'Cover', and every standard benefit and optional benefit.

### Claims experience bonus

If you hold a claims experience bonus and you make a claim under your Policy, for each claim you make we'll reduce your claims experience bonus by two levels at your next renewal date.

### Contribution and other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

### Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree, to pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price .

### GST

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
- The percentage of any input tax credit you will claim, or will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

## Providing proof

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- Instruction manuals
- Guarantee or warranty certificates
- Catalogues
- Make, model and serial numbers
- Photographs or video film of the item/s.

### Proof of valuation - jewellery, gold or silver articles

Jewellery, gold or silver articles, regardless of whether they're specified contents or specified portable contents, must be valued as per the table below. If this evidence isn't provided, we can't process your claim.

Evidence of value can be a combination of:

- Receipts
- A recent valuation provided by a qualified Australian valuer.

Item value	Required proof of value
Less than \$1,499	Not required
\$1,500 up to \$14,999	Proof of value dated prior to date of loss
\$15,000 up to \$49,999	Proof of value dated prior to your Policy's inception, or a more current replacement proof of value
More than \$50,000	Proof of value dated prior to your Policy's inception, or a more current replacement proof of value. We may require this to be sighted by us prior to the item being specified on your Policy Schedule.

## How claims administration and legal proceedings are undertaken

When a claim is made we have the right, at our discretion, to exercise all the legal rights of the person making the claim relating to the incident and to do so in their name. We'll take full control of the administration, conduct or settlement of the claim including any recovery or defence we think is necessary.

We'll also report any suspected fraudulent act to the Police for further investigation.

## Subrogation, recovery action & uninsured loss

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

## Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.
