

QBE Foundation local grants 2022

Acquittal report – data request

Along with general information about your initiative and its progress, you will be asked to provide the following information, with the data provided relating only to QBE Foundation funding. This may mean that you will need to calculate the overall portion of funding provided by QBE and use that to calculate the portion of overall impact related to this funding.

The below serves as an example only. Additional information may be requested, at QBE's discretion.

- Breakdown of how QBE funding was used
- Number of people directly supported by your initiative
- Number of people with impact measured or assessed
 - Of people assessed, how many reported that they experienced behavioural or attitude changes, developed new skills, or experienced a healthier life or improvement in overall wellbeing
- Impact on your organisation
 - Ability to improve existing or deliver new services
 - Impact on time spent with people and communities
 - Ability to improve management processes or increase your profile
- Impact on the environment or on environmental behaviour
