

# International Women's Day

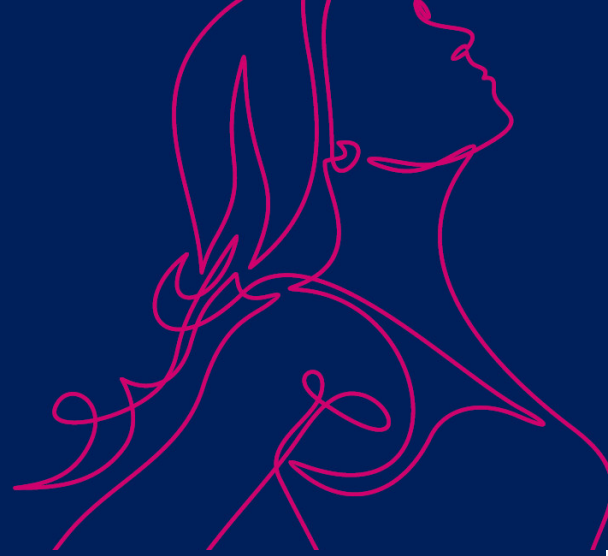

## #ChooseToChallenge

QBE Asia is delighted to invite you to join our inaugural panel session celebrating 2021 International Women's Day in Asia.

This day celebrates the social, economic, cultural and political achievements of women and a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

To mark this occasion we have invited **Vibha Coburn**, Group CEO Manulife Holdings Berhad, **Jenny Lim**, Executive Director, Head of Financial Lines, Howden Asia and **Selina Lau**, Chief Executive HKFI to have a chat with us. They will be joined by **Lei Yu**, QBE North Asia CEO and **Ronak Shah**, QBE Singapore CEO and Diversity Champion for Asia, for a panel discussion moderated by **Chandrani Chakraborty**, Head of HR, QBE Asia.

This exciting panel line up will discuss topics around how we challenge the thinking that diversity is not just a good to have but there's a real business case for diversity and how we can challenge the current leadership on equal opportunities. This is a session not to be missed. Bring in your coffee, sit back and enjoy the session with us.
