

Dear Valued Business Partners,

The world is changing fundamentally, leading to dramatic shifts in the landscape of risks faced by businesses, particularly those in the SME sector. Amid constantly changing conditions, SMEs are looking for ways to plan for business continuity, and respond quickly to sustain their organizations.

Join our expert panel to learn economic outlook and business concerns discovered in our **annual Hong Kong SME Survey report**, and how they can manage risks to stay on top of the business, and accelerate growth through times of uncertainty.
