17. Contribution

If at the time of any loss or damage happening to any property hereby insured, there be any other subsisting Insurance or Insurances, whether effected by the Insured or by any other person or persons, covering the same property, this Company shall not be liable to pay or contribute more than its rateable proportion of such loss or damage.

18. Average

If the property hereby insured shall, at the breaking out of any fire, be collectively of greater value than the sum insured thereon, then the Insured shall be considered as being his own Insurer for the difference, and shall bear a rateable proportion of the loss accordingly. Every item, if more than one, of the Policy shall be separately subject to this Condition.

19. Reinstatement of Sum Insured

In the event of a loss, the insurance hereunder shall be maintained in force for the full sum insured and the insured shall be liable to pay an additional premium at the rate stated on the policy calculated on the amount of loss on a pro rata basis from the date of such loss to the expiry of the current period of insurance.

20. Arbitration

If any difference arises as to the amount of any loss or damage such difference shall independently of all other questions be referred to the decision of an Arbitrator, to be appointed in writing by the parties in difference, or, if they cannot agree upon a single Arbitrator, to the decision of two disinterested persons as Arbitrators, of whom one shall be appointed in writing by each of the parties within two (2) calendar months after having been required so to do in writing by the other party.

In case either party shall refuse or fail to appoint an Arbitrator within two (2) calendar months after receipt of notice in writing requiring an appointment, the other party shall be at liberty to appoint a sole Arbitrator; and in case of disagreement between the Arbitrators, the difference shall be referred to the decision of an Umpire who shall have been appointed by them in writing before entering on the reference, and who shall sit with the Arbitrators and preside at their meetings.

The death of any party shall not revoke or affect the authority or powers of the Arbitrator, Arbitrators or Umpire respectively; and in the event of the death of an Arbitrator or Umpire, another shall in each case be appointed in his stead by the party or Arbitrators (as the case may be) by whom the Arbitrator or Umpire so dying was appointed.

The costs of the reference and of the award shall be in the discretion of the Arbitrator, Arbitrators or Umpire making the award. And it is hereby expressly stipulated and declared that it shall be a condition precedent to any right of action or suit upon this policy that the award by such Arbitrator, Arbitrators or Umpire of the amount of the loss or damage if disputed shall be first obtained.

21. Time Limit

In no case whatever shall the Company be liable for any loss or damage after the expiration of twelve (12) months from the happening of the loss or damage unless the claim is the subject of pending action or arbitration.
