

Digital Health

In a post-pandemic world, digital healthcare services, like telehealth and telemedicine, are no longer new and innovative. These resources are becoming increasingly commonplace in nearly every industry. With this modernization comes a myriad of risks around diagnosis, treatment and even data privacy and compliance. At QBE, we've taken a hybrid approach for a hybrid world. Our broad form Miscellaneous Medical Liability solution is available with bespoke, flexible coverages specifically created for digital health insureds, ensuring your clients get the tailored protection they need.
