

# Employment Practices Liability and Fiduciary Liability

Mitigating risk with Management Liability protection

Management teams face a unique set of risks, making it crucial for companies to identify and understand potential exposures. QBE's Management Liability team can help secure the right coverage to protect business leaders from both financial and reputational risks.

## Capabilities

Public, Private and Financial Institutions

Up to \$10M

## Products

With a simplified, flexible form, these products can be combined with other Management Liability coverage parts or purchased separately

- Employment Practices Liability insurance covers the insured entity and its employees for loss arising from claims alleging, among other things, harassment, wrongful termination, and discrimination. It also pays for the reasonable legal fees incurred in defending those claims.
- Fiduciary Liability Insurance covers losses arising from claims alleging mismanagement of health, welfare and benefit plans sponsored by the insured entity. It covers the plans and the individual fiduciaries such as directors, officers, plan trustees and plan administrators. It also pays for the reasonable legal fees incurred in defending those claims.

## Target Industries

- Public: Fortune 2000
- Private: Large privately held entities including health systems, medical facilities and hospitals
- Financial Institutions: asset managers, family offices, banks and insurance companies
