

Risk Solutions U.S. Department of Transportation (DOT)

MISSION: To ensure America has the safest, most efficient, and modern transportation system in the world, which boosts our economic productivity and global competitiveness and enhances the quality of life in communities both rural and urban.

Statutory Authority

The Department of Transportation was established by an act of Congress on October 15, 1966. The Department's first official day of operation was April 1, 1967.
