

Join QBE for a Summer 2024 Internship!

QBE, a global insurance leader with an inclusive work culture and a stellar industry reputation, is looking for its next class of summer interns. The program will help students refine their professional skills and develop their business acumen. The 10-week paid internships begin in June 2024.

Highlights of the QBE Internship program include...

- Internships available for insurance-specific roles in Actuary, Underwriting, Claims and Risk Management, as well as general corporate fields, including (but not limited to) IT, Data Analytics, Finance, Human Resources, Marketing.
- Gain hands-on experience and classroom training into our business operations.
- Get exposure to a variety of insurance industry roles – careers in insurance have a lot to offer!
- Build relationships with fellow interns by participating on group projects.
- Build your professional network.
- For those who excel in the program, we welcome the opportunity to discuss full-time employment opportunities at QBE after graduation.

Recognition:

- 2023 Bloomberg Gender-Equality Index
- 2023 Top 100 companies for Gender Equality by Equileap
- 2023 Wellness Council of America Platinum Well Workplace Award
- Green Insurer of the Year in the Finder Green Awards 2023
