QBE Commercial Proposal

QBE Pacific Islands

A. Notice to the proposed insured

Disclosure of relevant facts - your duty of disclosure

Before you enter into a contract of general insurance with us, you have a duty to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of insurance and, if so, on what terms. This includes facts which are not subject to questions in this proposal.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance.

Non-Disclosure / Misstatement

If you fail to comply with your duty of disclosure, QBE may be entitled to avoid the contract altogether, and so decline to pay any claim.

Inadequate space to answer

If there is inadequate space to answer our questions or you need to disclose something to us because of your duty of disclosure, please attach a separate sheet of paper to this proposal giving full details of additional information.

Important

- · Please answer ALL questions fully. If there is insufficient space please provide details on your letterhead.
- Where provided, tick appropriate box to indicate answer.
- The applicant will be referred to in this proposal as "You" or "Your".

Markete

Please use the checklist below to indicate the operation in the QBE Pacific Islands region to which you will be submitting your proposal.

MARKET	BUSINESS NAME	PLEASE TICK		
Fiji	QBE Insurance (Fiji) Limited			
Papua New Guinea	QBE Insurance (PNG) Limited			
Solomon Islands	QBE Insurance (International) Pty Limited			
Vanuatu	QBE Insurance (Vanuatu) Limited			

Note: For any other markets please contact the local QBE office.

Jurisdiction

The content and use of this proposal form or any policy entered into pursuant to this form or any dealing in relation to or arising from this form are governed by:

- a. the laws of the country of the QBE office which issues the policy/ies arising from this proposal; unless
- b. the policy/ies refer to the laws of a different country applying, in which case the laws of that country,

and in relation to those matters, the parties submit to the exclusive jurisdiction of the courts of that country.

For those policies governed by the laws of the Republic of Vanuatu, the validity, interpretation and effect and the rights and obligations of the parties to such policies shall be governed exclusively by English law as applicable within Vanuatu immediately before 30 July 1980 and shall be exclusively justiciable before the Supreme Court of Vanuatu.

Note

Values, Sums Insured, Limits and Deductibles further marked as * are in the currency of the country in which a policy will be issued, upon the approval of this proposal.

Protect Your Assets from Inadequate Insurance

It is your responsibility to ensure adequacy of sums insured both during the currency of any policy and prior to renewal each year. You should ensure that the sums insured reflect the full value of the insured property. If you have elected to insure your building and contents (excluding stock) on a Reinstatement and Replacement Basis, the sum(s) insured should represent the current full replacement value. If you have insured for Business Interruption, the sum insured should represent expected annual consequential losses including future trends.

Your Policy may contain a co-insurance (average) condition, which may take effect if the property is underinsured when a loss occurs. If you suffer a loss and the sums insured are inadequate then the amount you can recover from your claim may be reduced in same proportion as the sum insured bears to the full value of the insured property or item.
