

QBE Interior Renovation Prestige

A comprehensive construction and engineering insurance cover

Introducing QBE Interior Renovation Prestige

Renovations can be costly, particularly if something doesn't go as planned. QBE Interior Renovation Prestige Insurance provides comprehensive protection to both contractors and property owners against loss or damage arising out of contract works. This includes interior decoration, renovation works, additions and alterations and maintenance works.

This product provides Contractors' All Risks cover on Material Damage and Third Party Liability to contract works and Employers' Liability.

The product

Scope of cover

QBE Interior Renovation Prestige Insurance offers the following coverage:

Contractors' All Risks

Section 1 - Material Damage

Covers any unforeseen and sudden physical loss or damage to the property insured necessitating repair or reinstatement

Section 2 - Third Party Liability

Covers accidental bodily Injury and/or accidental loss of or damage to property belonging to third parties arising from the contract works

Section 3 - Employers' Liability (EL)

Covers Employers' legal liability to pay compensation, cost and expenses to employees in respect of personal injury arising out of and in connection with the carrying out of the contract specified in the Schedule

Why choose the QBE Interior Renovation Prestige

Interior Decoration/Renovation Definition

Qnect QBE Interior Renovation Prestige is restricted to Contracts Works/Projects that meet the following criteria ("Qnect Criteria");

- Interior decoration, renovation or maintenance works and which may involve related exterior works including works on scaffolding for installation or change or repair of air-conditioner, external pipes, windows or clothes racks etc. where the total value of the exterior work and the cost of scaffolding erection and hire is less than 20% of the total contract value
- Cover is provided for a single contract only
- The contract value does not exceed S\$2,000,000
- Works in respect of the contract have not commenced
- The principal contractor holds the necessary licensing and the contract has all the necessary planning and building approvals issued at the time construction commences
- That only skilled or qualified tradespersons are used in the completion of the works
- That the estimated period of the contract (excluding maintenance period) is no more than 24 months at commencement
- This contract does not involve works which relate to or involve any of the activities as outlined in the exclusions to scope of work
- The type of insurance proposed has not been declined, cancelled, or subject to any special terms by any other insurance company
- Premium is non-refundable once the works commence

Exclusions to scope of work

The following works cannot be insured under this policy, even if they make up only a minor component of the contract:

1. Works at any height exceeding 12 metres above ground or floor level. (means the height between the floor level and the roof level in any one storey level or atrium). You may refer any risk that does not meet this criteria for consideration by our underwriters.
2. Any work which involve internal excavations other than small trenches (less than 250mm deep).
3. Any works involving building demolition.
4. External building works including painting, roofing works, neon signs, signboards, cages and cladding (except as provided in the Interior Decoration/Renovation Definition).
5. Any works involving asbestos in any form.
6. External works and scaffolding costs (represented by the cost of erection, hire and removal), exceeding 20% of the contract value.
7. Works involving lifts or public utilities.
8. Works involving modification to a load-bearing structure of the building.
9. Works involving the installation of a sprinkler system, but not excluding alterations to sprinkler system costing up to 10% of the contract value.
10. Works which are located over, in or under water courses (natural or otherwise) or any other body of water.
11. Any Civil Works such as tunnelling, road and bridge construction, drainage works etc.
12. Piling Works.
13. Any works involving site or property remediation from toxic or hazardous substances.
14. Works on building sites situated on or adjacent to power stations, petrol chemical plants, semi-conductor and semiconductor wafer plants, pharmaceutical manufacturers or aircraft hangers or production facilities.
15. Works on oil-rigs or onboard watercraft of any kind.
16. Work on aircraft.
