Our claims commitment

At QBE Singapore, we have been investing strategically in digital innovations to build for the future. As technology continues to advance, we are accelerating the pace at which we apply technologies to deliver better customer experience and operational excellence.

Claims management is a key focus area at QBE as it is ultimately what matters most to customers. In November 2019, we introduced the Digital Claims platform for our travel insurance product in Singapore and in August 2020, we introduced a generic eClaims platform where all products can be submitted digitally.

Additionally, we have local and international teams supporting our corporate and specialty business with strong thought leadership of complex claims in the Asia market. We partner with the best local and international partners to fulfil our claims value chain of adjusting and legal services for our clients.

At QBE, we stand by our customers and business partners when they need us most. Here are the 7 things we do to show our commitment:

① Simple and automated claims through **direct customer touchpoints**

② Claims submitted, processed and paid **anytime, anywhere** and on any web-based device

③ Globally renowned **quality assurance and standards** in claims handling

④ **Performance dashboards** leveraging data and analytics to provide real-time claims monitoring and tailored reports

⑤ **Automated payments** for simple, and legitimate claims

⑥ Access to an ecosystem of **supply chain partners** to support and enhance your claims experience

⑦ Backed by a good credit rating and **strong risk controls** providing the confidence you need to achieve your ambitions
