

Surety

QBE North America's Surety team is part of QBE's global Surety business, with locations in the United States, Australia, London and Singapore. QBE has been providing for our customers' needs since 1886 and our global network makes it possible for us to provide Surety products worldwide.

QBE specializes in bonding needs for various businesses and industries. With our portfolio of surety bonds, including contract and commercial bonds, we can help you with all of your surety bonding requests and develop programs tailored to your specific business needs. Explore the possibilities with QBE.

Targeted business/product offerings

Contract bonds

QBE provides various contract bonds to middle market contractors. Bond programs go up to the \$50 million single range and up to the \$150 million aggregate program range. We focus on:

- general contractors
- road and heavy equipment contractors
- other prime contractors
- major sub trade contractors

2018 Financials

North American Operations
