list of public companies 2023

### Premiums4Good initiative

We allocate a portion of customer premiums to investments that have additional social or environmental benefits, at no extra cost to our customers or partners.

### **Direct writing carrier**

- We retain all risk on a net basis and are not encumbered by reinsurers.
- Our teams are empowered with full underwriting and claims paying authority.
- We've built a regional office structure to provide localized underwriting expertise and service.

### **Limited and preferred distribution**

- We focus on building mutually supportive relationships with our business partners.
- MSL production comes from 100 national production sources.
- Most of our business is sold through our top 25 producer relationships.

### **Direct access**

- We provide direct access to expert underwriters and subject matter experts: actuarial, administrative, captives, claims, and medical risk management.
- Our collaborative approach allows us to share expertise and streamline the underwriting, claims and risk management process.

### **MSL Captives**

- Over 20 years of experience supporting single parent and group captives arrangements.
- Rent-a-cell solutions along with our open group captive program, Agora.
- Insurance management services and reinsurance for direct writing single parent captive programs.
- Dedicated captive team of underwriting, operations, account and risk management supporting captive programs.

### Medical risk management services

- In-house team of registered nurses, certified case managers and cost containment specialists
- Proactive review and negotiation of high dollar claims
- Collaborative approach with care providers, TPAs, PBMs and other specialists to mitigate the cost of large claims

### Industry-leading claim performance

- Average turnaround time: seven days
- Advance reimbursement available on eligible claims
- QBE Initiated Claim (QIC) and Expedited Reimbursement (EXR) programs to assist our policyholders with ASO arrangements
- ACH reimbursement directly to client accounts with no third-party vendor involvement

### Premiums4Good

- Through our Premiums4Good initiative, we allocate a portion of customer premiums to investments that have additional social or environmental benefits, at no extra cost to our customers or partners.

### Product portfolio

- Medical Stop Loss (MSL)
  - QBE Rewards Experience Refund Option
  - Rate Stabilization (No New Laser) with Rate Cap
- Captive MSL
  - Inclusive of The QBE Captive Curve, encompassing Agora, our open MSL group captive
- Organ Transplant
  - Fully-insured carveout for self-funded plans
- Special Risk Accident (SRA)
  - Inclusive of K-12, collegiate and volunteer accident
