

QBE North America's Surety team is part of QBE's global Surety business, with locations in the United States, Australia and Europe. QBE has been providing for our customers' needs since 1886 and our global network makes it possible for us to provide Surety products worldwide.

QBE specializes in bonding needs for various businesses and industries. With our portfolio of surety bonds, including contract and commercial bonds, we can help you with all of your surety bonding requests and develop programs tailored to your specific business needs. Explore the possibilities with QBE.

Targeted business/product offerings

Contract bonds

QBE provides various contract bonds to middle market contractors. We focus on federal, environmental, service and general contractors, other prime contractors and major sub trade contractors. Bond programs go up to the \$30 million single range and up to the \$100 million program range with consideration for additional capacity.

Commercial bonds

We offer support for commercial bonds, ranging from license and permit bonds, subdivision and court bonds. In addition, QBE Surety provides up to \$50 million in capacity for commercial clients.
