

The QBE Integrated Advantage for Healthcare

A simplified approach to comprehensive coverage

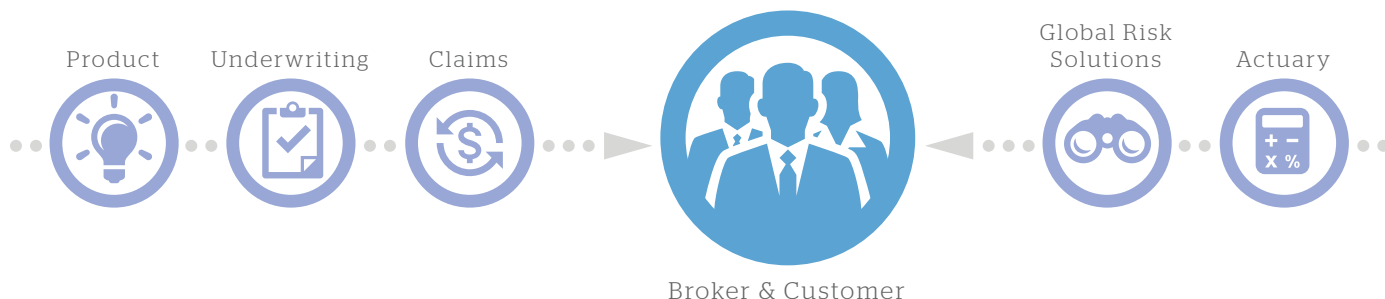

At QBE we're changing the way we do business with Healthcare customers. With the launch of the QBE Integrated Advantage for Healthcare we've brought industry professionals from all sectors of our business together into one team.

QBE is an integrated specialist insurer and this strategy sets us apart from other carriers. We have broken down the silos and can now offer the expertise, industry knowledge and ease of doing business that you and your customers need.

You can now access our Management Liability and Medical Malpractice products, as well as Property, Auto and Workers' Compensation, through one contact and receive coordinated quotes and binders for all policies.

This is not just a vertical, it's an integrated team of underwriters, actuaries, claims and risk solutions consultants, all with one single focus - our healthcare customers.
